tenants 'consultation register'

We (Argyll and Bute Council) are keen to get feedback from our tenants on the performance of the council as your landlord and in the services provided to you. The **Consultation Register** would also be used to get your opinions on new policies and the review of existing policies.

'So what would be involved in being part of a Consultation Register?'

It is likely to take the form of postal questionnaires to enable us, as your landlord, to get a clearer picture of how you view the service we provide at the moment and help to create a better service in the future.

If you think you might like to get involved in this and could spare a few minutes once in a while (there is no obligation if you change your mind later) please fill in the box below and return it to the address given at the bottom of the page. (or hand it in to your local housing office)
